CONNECTIVE BUSINESS SOLUTION

STRATEGY RE-DEFINED

WOSB MBE

AI & DIGITAL TRANSFORMATION · 2026

Connective's AI & Digital Transformation capability helps agencies and organizations adopt artificial intelligence responsibly through **AI strategy, readiness assessments, generative AI enablement, and intelligent automation.** Our leadership has managed live AI/ML and emerging technology programs inside a $48M Disney portfolio, and AI advisory, readiness, and workforce training are purchasable today through our State of Florida Management Consulting Services contract.

CORE CAPABILITIES

/ AI Strategy & Roadmaps

Use-case identification, prioritization, and adoption roadmaps aligned to mission and budget.

/ AI Readiness Assessments

Data, governance, skills, and infrastructure reviews with actionable gap plans.

/ Generative AI Enablement

Pilot design, responsible-use policy, and hands-on workforce training for generative AI.

/ AI Program Delivery & Governance

Portfolio and program management for AI/ML initiatives, from intake through production.

/ Intelligent Automation

Reporting and workflow automation that removes manual effort and error.

/ Digital Transformation

Modernization of systems and processes with change management built in.

PRINCIPAL EXPERIENCE & PAST PERFORMANCE

Connective's leadership has managed AI, automation, and modernization programs inside Fortune 500 and public sector environments.

The Walt Disney Company · Parks, Experiences and Products
